

August 2022

Labelstocks

Durable and functional labelstocks engineered to withstand extreme environments from cold and heat to abrasion and chemicals.

Roll Label

Spinnaker Specialty products are available on the Trimless program. Which allows you to order a variety of widths and lengths, with a minimum requirement of 3" x 5000'.

Visit our website for a complete listing of products.

www.spinps.com

Applications include:

- Durable Goods
- Automotive
- Electronics
- Security
- Pharmaceutical and Laboratory
- Decorative/Point of Purchase

Spinnaker is excited to announce the addition of these four Lintec products to our Trimless program

49943 2.2 mil White Laser PET / Cryogenic / 63# Kraft

Uses: Medical applications that demand performance at very low temperatures

49944 2.0 mil White Gloss PET / Oil Tolerant / 45# Blue

Uses: Industry applications where oils and rust inhibitors may be present
Cosmetic and cannabis labels where the substrate may have residual oils

49945 SafeTE™ Clear Void / PAT / 60# Blue

49946 SafeTE™ NT Red Void / VR / 60# Blue

Uses: Tamper evident labels used in industrial and electronic packaging device identification, warranty and asset protection, automotive VIN labels, and security seals

In addition to these new products, Spinnaker now has access to many other Lintec specialty products as well. Here are just a few of the types of products we can consider:

- Oily surfaces (additional facestocks and combinations available)
- Cryogenic (additional facestocks and combinations available)
- Other Void products
- Destructible (both PVC and non-PVC)
- Chemical resistant
- Heat resistant
- Bubble free
- Retroreflective
- Peel Reseal
